RE: File #2000-01188, Town of Canaan Tax Map I-GS, Lot 67, 7 Cove Road, Canaan

Dear Mr. and Mrs. Dayton:

The Department of Environmental Services ("DES") received a restoration monitoring report from Michael H. Simpson (NH Certified Wetland Scientist #57) on May 26, 2006. Based on this monitoring report, DES has determined that the violations noted in Letter of Deficiency #WET 01-021 have been corrected.

Please be advised that further work in wetlands, waters of the state, the upland tidal buffer zone, the bank, flat, sand dune, or other areas of jurisdiction of the Department requires a posted, approved permit prior to carrying out such work.

Thank you for your assistance in bringing this matter to a resolution. Should you have any questions, please contact the Wetlands Bureau at (603) 271-2147.

Sincerely,

Tracey Boisvert
Compliance Supervisor
